Kendra Elliot is a new author to me and I'm thoroughly enjoying these books, binge reading them one after the other. I love the relationship between Callahan and McLane and the way Mason is so protective over Ava, even though she's a strong but vulnerable woman. Can't wait to start the next one.

Quite apart from the graphic sex scenes one expects from authors such as Kendra Elliot, Bridged is a superb suspense thriller and the Mason Callahan and Ava McLane series books are excellent listens. Narration is outstanding. This novel is about ritualistic serial murders beginning with the brutal slaying of a member of the US Congress.

Bridged is the second book in Kendra Elliot's Callahan & McLane series. If you read the first book in the series, then you would've been introduced to the main characters Mason Callahan and Ava McLane. (I love these two characters and can't get enough of them.) The second book focuses on them as a couple and working together again.

4.5 stars Bridged is book 2 in the Callahan & McLane series by Kendra Elliot, and I thoroughly enjoyed listening to it. Told in dual POV, the narrators (Nick Podehi & Amy McFadden) did a really good job. Even with several side characters, I had no problem figuring out who was talking, which I find sometimes hard to do.
