I really miss the bum as well. I still have my 9700 but it's on a carrier I no longer use. Gtalk is great I've used it since it came out. The problem is that I changed my account few years back and very few of my contacts added my new account, others turned out to be creeper and then I focused on BBM, so my contact list has dwindled to a disgusting two people.

Tears Of A Tiger Guide - costamagarakis.com

Betfair Betting Assistant - Betfair software Betfair Betting Assistant removes a lot of the time-consuming steps between you making a decision to bet, then your money hitting the market. The one-click system is an alternative interface to the Betfair website enabling you to stay ahead of the game in the in-

running markets where speed is of the ...

Gruss Betting Assistant is a 3rd party piece of software that can be used to trade on both the blue and purple exchanges. This means that you can place trades on the exchanges without relying on their website. Using 3rd party tools such as Gruss Betting Assistant will give you access to plenty of features that aren't available through the exchange websites.

Gruss is owned by two brothers, Gary and Mark Russell.
