## **Power and Plenty: Trade, War, and the World Economy in the ...**

Power and Plenty fills this gap, providing the first full account of world trade and development over the course of the last millennium." "This book, magisterial in scope and execution, marries a reading of voluminous historical research with an economist's sharp eye to what is important in shaping economies and events.

## **Power and Plenty: Trade, War, and the World Economy in the ...**

The ratio of world trade to GDP is sharply higher today than it was two centuries ago, but this rise has not been continuous. The powerful trend for globalization during the nineteenth century was followed by the collapse of world trade or deglobalization after 1914 and a more or less steady expansion of trade once more or reglobalization since the end of World War II.
