The format of insurance exams is a timed, proctored, multiple-choice test, consisting of around 50-180 questions. The actual length of each exam will depend on the state you are testing in, and the license for which you are applying.. So what exactly is a proctored exam? In the simplest terms, proctored means someone is present while the candidate is taking the assessment.

Study manuals are usually made up of two sections, a national section and state section. The national section will cover most basic insurance terminology and concepts, where the state manual is generally full of state rules and regulations specific to Virginia. Important: Make sure that when studying for the insurance licensing exam, you have an UPDATED manual or set of manuals as the TCO changes often, especially in Virginia. There is nothing more defeating than to have failed the insurance ...
